

Bradley School District #61 Families:

- ▶ The USDA recently announced that they are extending waivers for the food service program through as late as December 31, 2020. This allows our District to continue providing FREE meals to all students that request them.
- ▶ What does this mean for our students?
 - ▶ In person students: If they choose to get breakfast or lunch each day, it will be at no charge through as late as December 31, 2020
 - ▶ Remote Learners: By pre-order and commitment for the trimester, meals will be available for pickup on Mondays for the week. Meals must be picked up by the parent/guardian, and will be at no charge through as late as December 31, 2020

Thank you!
