Remote Learning for Quarantine Students

At Bradley School District 61, we know that children learn best – and educators teach best – when they are physically present together in the same space. We want to do everything we can to ensure that happens safely. In the event that a student is quarantined, BSD61 will strive to provide real-time instruction and/or interaction between students and their teachers.

Bradley Central: Grades 6-8

- Google Classroom/recorded lessons will be used.
- Teachers will check in with students once a day and provide feedback.
- Students who receive Social-Emotional Learning services will be supported at least once a week.
- Additional after school help may be provided by teachers.

Bradley West: Grades 3-5

- Google Classroom/recorded lessons will be used.
- Teachers will check in with students once a day and provide feedback.
- Students who receive Social-Emotional Learning services will be supported at least once a week.
- Additional after school help may be provided by teachers.

Whole Class Quarantine

In the event that a whole class would be quarantined, teachers will ensure at least five hours (300 minutes) of a combination of instruction and schoolwork, striving to provide all students with at least 2.5 hours of synchronous learning (real-time instruction and interaction between students and their teachers).
