NEW STUDENTS FROM OUT OF STATE OR COUNTRY – ALL GRADES

- * Present a school physical examination that was completed within 365 days prior to entering into an Illinois school on a comparable physical health form. Transfer students are **UNABLE** to start until a current physical is on file after the October 15th State of Illinois deadline. These students are allowed 30 days from the date of enrollment to prove compliance with the State of Illinois immunization requirements. Students without proof after the 30 days are subject to exclusion from school.
- * Dental examination is required for K, 2nd, and 6th grades.
- * Vision examination is required for any student entering an Illinois school for the first time in any grade.

TRANSFER IN STUDENTS FROM ANOTHER ILLINOIS SCHOOL DISTRICT – ALL GRADES

- * Present the last required State of Illinois school physical examination that was completed (usually it is a preschool, kindergarten or 6th grade depending on age of child). Transferring in students are **UNABLE** to start until the most current physical is on file after the October 15th State of Illinois deadline. These students then are allowed 30 days from the date of enrollment to prove compliance with the State of Illinois immunization requirements. Students without proof after the 30 days are subject to exclusion from school.
- * Dental examination is required for students in K, 2nd, and 6th grades.
- * Vision examination is required for any student entering an Illinois school for the first time in any grade.
