

## BRADLEY SCHOOL DISTRICT 61 STRATEGIC PLAN

The Bradley School District 61 initiated the strategic planning process as a method to engage our community in long term educational planning. In July 2016, the Bradley School Board updated the five-year strategic plan to address the needs of our school district. The strategic plan is based on school, community, and parent input. This strategic plan incorporates a Vision for our students, a Mission Statement, Core Values and identifies Board of Education goals. These ideas are the basis for our District Improvement Planning process.
